

## Hi Discovery Families!

We had an awesome summer learning about how God created us and the world. Right now, we are learning all about Respect and what that looks like to God! It's a great time to be part of Discovery Express Kids.

I wanted to give a heads up that your child may or may not be in a new classroom starting September 3<sup>rd</sup>. To help our growing classrooms become more effective, we've decided to rearrange our organization for second service:

### Nursery // Room 5

- Infants, Crawlers

### Toddlers // Room 7

- Walking, not potty trained yet

### Preschool // Room 6

- Potty trained, not in Kindergarten yet

### Kindergarten – 1<sup>st</sup> Grade // Room 8

### 2<sup>nd</sup> & 3<sup>rd</sup> Grade Room // Room 11

### Locomotion (4<sup>th</sup>, 5<sup>th</sup>, & 6<sup>th</sup> Grade) // Fellowship Hall, Room across Check-In door

Locomotion use to include 7<sup>th</sup> graders, but they are now invited to a second service Forward Motion Youth class. For questions about the 7<sup>th</sup>-12<sup>th</sup> grade classes contact Brandon at [bkindleberger@dcboise.org](mailto:bkindleberger@dcboise.org). Contact me (Jessica Mercier) at [jmercier@dcboise.org](mailto:jmercier@dcboise.org) if you have any questions about our exciting transitions this fall!

Blessings,

Jessica Mercier
